

In accordance with the NZ Covid-19 Protection Framework (“Traffic Light System”) and as advised by DANZ and Exercise NZ, dance schools are **unable to run without proof of vaccine pass from students and caregivers** under Orange & Red levels. Therefore, Southern Dance Academy will follow the below procedures:

#### **Overview:**

- All SDA staff are double-vaccinated.
- Parents/Caregivers and anyone picking up students from SDA classes will need to provide proof of vaccination to enter any premises used by SDA.
- Students ages 12 years and 3 months and over to provide proof of vaccination as required. An alternative to class will be arranged for those students unable to attend.
- Students to arrive no earlier than 5 minutes before class. Please ensure your student is dressed for class upon arrival.
- Students will be escorted to entry of studio premises by a teacher to be collected by parents at the conclusion of class. Please arrive on time to pick up your child.
- Students to stay home if sick. Including: sore throat, cough, runny nose, sneezing, fever, headache, sore tummy/feeling sick, vomiting, diarrhoea etc
- **Masks to be worn by non-dancers during class.**

#### **Green**

**All classes remain open. The following guidelines are in place:**

- Students and any parents/caregivers and siblings are to wash hands before class. Sanitiser will be available at the entrance.
- A QR code will also be available to scan. **If you will not be waiting at the studio with your child, please leave a contact number where you can be contacted.**
- Parents/caregivers may watch in class/wait for students onsite. Masks recommended.
- If your child or any other family member is not feeling well, please do not come to dance class. **Let Miss Nicola know if you/your child will be absent.**

#### **Orange & Red**

**All classes remain open as long as the halls in Balclutha and Milton remain open to the public. The following guidelines are in place:**

- Vaccine Passes required for staff, parents/caregivers and students ages 12 and 3 months+.
- Any equipment and props will be cleaned after each use with disinfectant wipes by SDA Staff.
- Students are to bring a water bottle to class. No drinks from the kitchen. Please ensure it is named.
- Masks are encouraged for use in indoor settings but not mandatory during exercise.
- All teachers, students, parents/caregivers and siblings are required to:
  - wear a mask to and from the studio
  - wash hands before class. Sanitiser will be available at the entrance.
  - sign in/out of the building and/or scan the QR code.
  - please come dressed/changed ready for class.
  - If your child or any other family member is not feeling well, please do not come to dance class. **Let Miss Nicola know if you/your child will be absent.**
  - Parents/caregivers/family waiting are to be seated 1m apart where practicable. Masks are to be worn if not participating in class. **If you will not be waiting at the studio with your child, please leave a contact number where you can be contacted.**
